

VEC TOR ANALYSIS GROUP

END-USER LICENCE AGREEMENT: BASIC VERSION SOFTWARE **VecTor2®, VecTor3®, VecTor4®, VecTor5®, VecTor6®, FormWorks®, FormWorks+®,** **Cyrus®, Augustus®, and Janus®**

IMPORTANT - READ CAREFULLY: This End-User Licence Agreement (“Agreement”) is a legal contract between you (either (a) an individual user or (b) a business organization) (“Licensee”) and the VecTor Analysis Group for Basic Versions of Software (which includes VecTor2®, VecTor3®, VecTor4®, VecTor5®, VecTor6®, FormWorks®, FormWorks+®, Cyrus®, Augustus®, and Janus®) and any associated media, printed materials and electronic documentation.

By downloading the installation package, by clicking on the “I ACCEPT” button, by opening the package that contains the Software, or by copying, downloading, accessing or otherwise using the Software, you agree to be bound by the terms of this agreement and you represent that you are authorized to enter into this agreement on behalf of your corporate entity (if applicable.) If you do not wish to be bound by the terms of this Agreement, click the “I DO NOT ACCEPT” button, and do not install, access or use this Software.

1. Installation of the Software entitles the licensee to a non-transferable license to use the material provided in accordance with these Terms and Conditions. Licensee may not sublicense, assign, redistribute, lend, give, or transfer this License in any way.
2. The licensee acknowledges that reverse engineering, decompiling, disassembling, or attempting to discover the source code or underlying ideas or algorithms of the Software or any subsequent version is strictly prohibited. Modifications, translations and derivative works are also not allowed.
3. The licensee understands that in no event shall the VecTor Analysis Group or its employees or associates be liable for damages to or through you, any end user, or any other person or entity for breach of, arising under, or related to this agreement or the Software or service provided here under, under any theory including, but not limited to, direct, special, incidental, indirect, consequential, or similar damages (including without limitation, damages for loss of business profits, business interruption, loss of business information or data, or any other loss) whether foreseeable or not, regardless of the form of action, whether in contract, tort (including negligence), strict liability or otherwise.
4. VecTor Analysis Group assumes no responsibility for the accuracy or numerical stability of the programs, nor for their improper application.
5. Programs are not to be sold or given to a third party.
6. All materials will be forwarded electronically. No documentation exists beyond that currently available on the website. (<http://www.vectoranalysisgroup.com>)
7. The licensee is not necessarily entitled to future free upgrades in Software or documentation, should they become available.
8. Augustus is not to be distributed without direct permission from Evan Bentz, Professor, University of Toronto. The licensee must check the results that they obtain from Augustus to ensure that results are being correctly interpreted. If unusual results are obtained, the licensee should check with the text-based output files from VecTor2.
9. No Software support is provided by VecTor Analysis Group for Basic Versions of the Software.
10. Basic Versions of the Software are intended for research and teaching purposes only, and are not to be used in commercial applications.
